# 1095 Ordering Information

## >> IRS Reporting

Order the official IRS landscape format. Only the official landscape format can be used when reporting to the IRS.

## >> Recipient Reporting

Order either the official IRS landscape format or portrait style recipient formats, designed for easy printing and mailing. Confirm software compatibility.

## >> Employer Reporting (File Copy)

Order either the official IRS landscape format or portrait style recipient formats. The employer needs to retain a copy of what was filed to the IRS and recipient for their records.

Form	Title	Who Uses This Form
1095-B	Health Coverage	Self-insured employers with less than 50 full-time equivalent employees or the insurer must issue form 1095-B to the responsible individual and file with the IRS as proof of healthcare coverage.
1094-B	Transmittal of Health Coverage	This transmittal must accompany each batch of 1095-B forms when filing to the IRS. This form is not required when issuing recipient copies.
1095-C	Employer Provided Health Insurance	Employers with 50+ full-time equivalent employees must issue form 1095-C to employees and file with the IRS as proof of healthcare coverage.
1094-C	Employer Health Transmittal	This transmittal must accompany each batch of 1095-C forms when filing to the IRS. This form may have up to 3 pages depending on whether or not the transmittal is being filed as the authoritative transmittal and if the filer is a member of an aggregate ALE group. This form is not required when issuing recipient copies.
